RELEASE DATE: December 3, 2018

Chino Valley Children to Shop with Firefighters

The Chino Valley Fire District, in partnership with the Chino Valley Fire Foundation, is helping make the holiday brighter for 100 pre-identified Chino Valley Children by providing them with \$150 to spend at Wal-Mart (3943 Grand Avenue, Chino) on December 5, 2018, at 8:30 a.m.

The students selected by Chino Valley Unified School District will be escorted by Public Safety personnel to Wal-Mart, where they will be paired with Chino Valley Fire District firefighters for their shopping spree. Children will have the opportunity to buy basic necessities and gifts for themselves, and/or family members.

Sponsors, local dignitaries, Wal-Mart associates and other public safety partners will be on hand to assist.

The Chino Valley Fire Foundation donates the funds through the Make a Child Smile's Code 3 Delivery program, one of five Make a Child Smile programs.

Donations for the Make a Child Smile family of programs are very much appreciated and can be made by visiting our website www.cvifd.org/firefoundation.
