

No Children

Left in Cars

The Chino Valley Fire District wants to remind the public to never leaving a child alone in a car, not even for a minute. Always make sure your car is locked when you're not in it so that children don't get in on their own.

The temperature inside a car can increase significantly in a short period of time.

Create reminders for yourself by putting something in the back of your car next to your child such as a briefcase, a purse or a cell phone that is needed at your final destination. This is especially important if you're not following your normal routine.

Take action. If you see a child alone in a car, call 911. Chino Valley Fire District personnel want you to call. We are trained to respond to these situations. One call could save a life.
